

St. John Paul II Academy

Principal's Message – Sept. 2017

Dear Parents,

Thank you for your interest in St. John Paul II Academy which is a new, CISVA, co-educational, Gr. 8 – 12, Catholic high school in South Surrey and will welcome its inaugural Gr. 8 class in Sept. 2018 in modular classrooms on the parish grounds of Star of the Sea, while the new school is being built at its location of 18230 24th Ave.

I sincerely hope you have been able or will be attending our Parent Information evenings in order to get an update on how we are proceeding and where we are going from here. We have some very exciting plans for the future.

We are currently in the process of updating this website, but in the meantime, please consult the information below to see how you can enroll your son or daughter and secure a place of admission for them now.

You may be interested in reading a recent article in the BC Catholic:

<https://bccatholic.ca/content/new-catholic-high-school-planned-for-south-surrey>

As you can appreciate a project of this magnitude is a huge undertaking and requires the entire community's support and prayers. If you are seriously interested in St. John Paul II Academy, there is a strong sense of urgency for parents to commit sooner rather than later for this project to come to fruition. In the words of St. John Paul II – "***Be Not Afraid***".

God bless,

Mr. Michel DesLauriers

Principal
